Foundation funds messaging system for Rankin County School District

Brandon, MS –The Foundation for Rankin County Public Schools, Inc., has donated \$17,000 to fund a messaging system for all 27 schools in the Rankin County School District.

The system NotifyMySchool.com will enhance the RCSD’s emergency preparedness plan by enabling principals and administrators to send mass messages to parents, faculty and staff in emergency situations such as threatening weather or school closures.

“This system will allow the District and individual schools to communicate more effectively with parents and guardians if an emergency arises,” said RCSD Superintendent Dr. Lynn Weathersby. “We are proud that the Foundation’s board members have the foresight to see how much this will help get out information effectively and efficiently.”
