

All student laptops need to be updated to High Sierra. Please follow these directions to update the laptop **on your wifi at home.**

Instructions for updating to High Sierra

1. Quit out of all applications you have open
2. Go into Self Service.
3. Click OS on the left side.
4. Click the button that says Upgrade.
5. Allow the computer to update. This will probably take 45 mins to an hour

Make sure your computer is plugged in while it is upgrading.

If you have any problems with the update, please bring your laptop by the Tech Room (201B) for further assistance.
