Q. Search engine	Get help with Chrome

- a. You can update Chrome from Self Service
- 4. Run your labels from PowerSchool
- 5. Open the labels in your browser window (*Chrome* will work best for printing labels from PS)
  - a. If the labels do not open in your browser window, give Technology a call so we can adjust how your browser opens PDF files
- 6. When your labels are open in your browser, click the Printer button at the top right (circled in red below)
